THAWING AND HEATING INFORMATION

FULLY COOKED, READY TO USE

We recommend thawing bags of our frozen items in your fridge for about 24 hours and heating to 165°F before serving, or as directed by your state health department. If the product you are using comes in a zipper tie bag, you do not need to remove the metal clip to open the bag. Simply thaw and then cut the bag open from the bottom and pour out our fully-cooked products to heat or serve.
